

he took a sort of lofty attitude. Just a little book about common people to remind him he is still one of us.

John Manning, our little hero. Jack is a good kid, but always has an alibi. A little bush, Jack, to look at, and maybe you won't want to beat around it so much.

Loyal Ives, the he-vamp of the class. Loyal, old timer, a little book on how to make love might help you a lot when it comes to vamping the women.

Richard Anderson, better known as Jap. Dick surely has a nice car, but if he ever gave anyone a ride the wheels would drop off. Here's a little car, Dick, so take it to bed.

M. Birney Wright, the snake from Parlin. Birney has winning ways with the girls, but as for trying to keep them from some of the other vamps of the 1921 class, this seems impossible. Just a little book on system and how to use it.

Richard C. Hill, our lively baseball manager. Dick's favorite pastime is laying to find soft spots on the baseball field so he can sleep during practice. Just a bed, Dick, to make life more lively while managing our team.

THIS copy of THE ARGO is mailed free to many former students. Wouldn't you like to have it come regularly to you? It will tell you the athletic scores, the student activities, the Trap news, School news—in short, it will tell you what is going on at Prep.

The price is still as low as ever—only TWO DOLLARS. Just send a bill or a check in an envelope and enjoy all the activities of DEAR OLD PREP until next June.

The Sincerity
of Baby

Older folks are influenced—and rightly so—by the advice and experience of physicians and nurses who have endorsed Johnson's Baby Powder. But baby's praise is told in smiles and chuckles.

Johnson's is so deliciously cooling and so fondly comforting—a soothing balm to that most vexing thing called skin.

We suggest this motto to mothers who want scientific quality and money's-worth quantity in any article—"Try the drug store first."

Cary's "Everlasting" Flexible Steel Door Mat

OUR mat is made of the best quality cold rolled steel, highly finished, and rustproof. The ends of the mat are strongly re-inforced by extra heavy metal binding. It is handsome in design, and serviceable to the highest degree. The United States Government has specified for the CARY'S EVERLASTING FLEXIBLE STEEL MAT for all buildings under its jurisdiction, since this mat has been on the market. Made in twelve stock sizes, and in rolls; also special and irregular sizes to order. Write for literature.
